Specialties

Work Trajectory

3D/CG Game Artist (Intern)

Ladyluck Digital Media

My first job as intern. I was tasked to create and optimize realistic 3D assets of warfare planes and vessels for MVE's Software Defined Simulator, an integrated solution for Training and Simulation of Advanced Weapon Systems.

Junior Designer

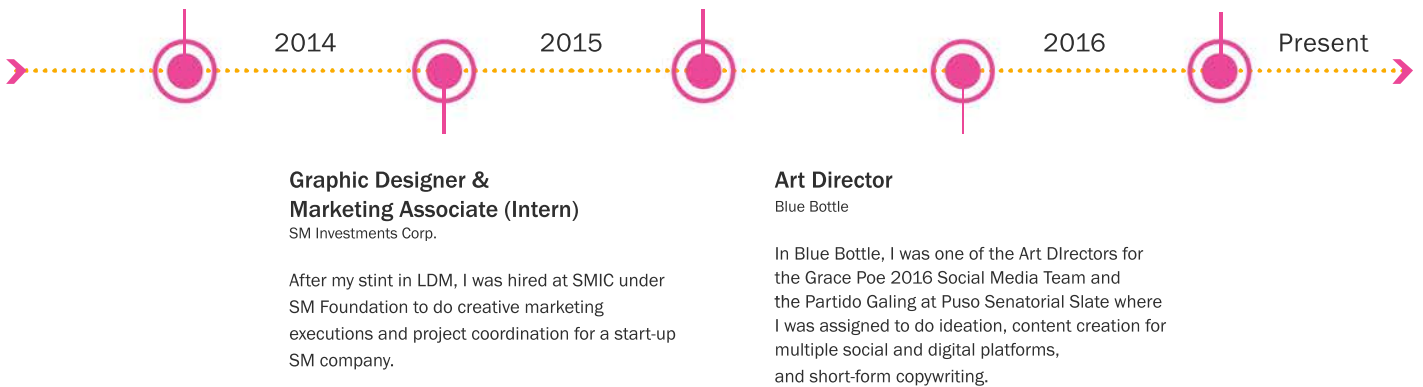

Propel Manila

I was employed in Propel Manila as Junior Designer under the Social Content Management and Digital Team. Pitching for ideas, content creation, and social media curation were my tasks. Some of the notable brands I have worked for are Ginebra, Lotus Biscoff, GoodYear, and JollyCow Milk.

Creative Designer

Society Agency

After the presidential race, I was hired by IPG to work in Society Agency—a social media-led marketing agency. Luis Chavit Singson, Richelle Louise Singson-Michael, Grace Poe 2016, Levi's, 65th Miss Universe, Beauty Elements Ventures, and Aspen are just some of the notable clients/brands I have worked with/for.

Graphic Designer & Marketing Associate (Intern)

SM Investments Corp.

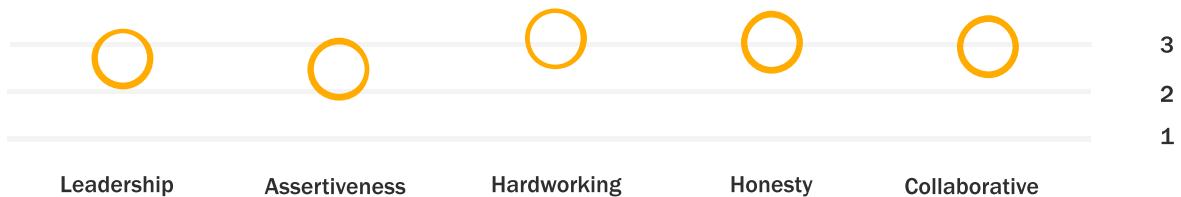

After my stint in LDM, I was hired at SMIC under SM Foundation to do creative marketing executions and project coordination for a start-up SM company.

Art Director

Blue Bottle

In Blue Bottle, I was one of the Art Directors for the Grace Poe 2016 Social Media Team and the Partido Galing at Puso Senatorial Slate where I was assigned to do ideation, content creation for multiple social and digital platforms, and short-form copywriting.
